Federal Election Commission

Re: 12 Day Pre General Report (10/1/2002-10/16/2002)
ID# C00084368
Original Filing: FEC-58047

Dear Mr. Morse:

Thank you for your letter of June 11, 2003. In this you questioned certain items in the above referenced report. We have filed an amended report which is FEC-87416 to correct the totals in the column B year-to-date figures. These incorrect year-to-date figures are due to the amended reports that changed some prior month figures.

In your letter you questioned the \$9,045.24 negative transfer. This transfer is correcting an expense that was originally listed as allocable--\$18,090.49 for campaign materials. This transfer from the Federal to the State account is a correction for this amount previously listed as allocable. Please refer to our previous response on October 3, 2002, to Mr. Erik Koeppen regarding the July 1-July 31, 2002, report.

All disbursements for voter registration were for generic voter registration and not for any specifically identified federal candidate.

We hope this information will be helpful in your further review and if you have any questions please do not hesitate to contact me.

Sincerely Yours,

Thomas B. Butchart, Treasurer
